

A NATIONAL HEALTH SYSTEMS RESEARCH AGENDA FOR CHILDREN AND YOUTH WITH SPECIAL HEALTH CARE NEEDS

HRSA funding: This program is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under UA6MC31101 Children and Youth with Special Health Care Needs Research Network. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by HRSA, HHS, and the U.S. Government.

LPFCH funding: Support for this work was provided by the Lucile Packard Foundation for Children's Health's Program for Children with Special Health Care Needs. We invest in creating a more efficient system that ensures high-quality, coordinated, family-centered care to improve health outcomes for children and enhance quality of life for families. The views presented here are those of the authors and do not reflect those of the Foundation or its staff.

Publication of this Supplement was supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) and the Lucile Packard Foundation for Children's Health's Program for Children with Special Health Care Needs.

The opinions or views expressed in this supplement are those of the authors and do not necessarily reflect the opinions or recommendations of the HRSA of HHS and the Lucile Packard Foundation for Children's Health's Program for Children with Special Health Care Needs.

Practitioners and researchers must always rely on their own experience and knowledge in evaluating and using any information, methods, compounds or experiments described herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. To the fullest extent of the law, no responsibility is assumed by Elsevier or Academic Pediatric Association for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions, or ideas contained in the material herein.

TABLE OF CONTENTS

OVERVIEW

- S1 National Research Agenda on Health Systems for Children and Youth With Special Health Care Needs**
Christopher J. Stille, Ryan J. Collier, Charlene Shelton, Nora Wells, Anna Desmarais, and Jay G. Berry

ORIGINAL ARTICLES

- S7 Improving Health Care Transitions for Children and Youth With Special Health Care Needs** Megumi J. Okumura, Dennis Z. Kuo, Allysa N. Ware, Mallory H. Cyr, and Patience H. White
- S14 Understanding Caregiving and Caregivers: Supporting Children and Youth With Special Health Care Needs at Home** Clarissa G. Hoover, Ryan J. Collier, Amy Houtrow, Debbi Harris, Rishi Agrawal, and Renee Turchi
- S22 Research on Family Health and Children and Youth With Special Health Care Needs** Karen A. Kuhlthau, Stefanie G. Ames, Allysa Ware, Clarissa G. Hoover, Nora Wells, and Charlene Shelton
- S28 Assessing and Addressing Social Determinants of Health Among Children and Youth With Special Health Care Needs** Jeanne Van Cleave, Kate Taft, Allysa Ware, and Christopher Stille
